PowderPuff

By: Jacob Cotter

After the parade, the Second Annual PowderPuff Game kicked off. Senior Bernadette Brown was the first to put points on the board, but Junior Alisha James answered that touchdown with one of her own. By the end of the first half, the seniors were in the lead with a score of 14 to 7. "In the first half everyone was running on adrenaline," said Senior, Elysia Soria, "It was a fun game."

The boys also gave the crowd an interesting half time performance consisting of various song clips and unique dance moves, proving that the girls had no joke of a sport on the sidelines of the boys' football games. The girls were back on the field for the next half and the battle continued. With the score tied 21 to 21, and only three minutes left, the tension was high. The Seniors then thought they had the game after scoring one last touchdown.

But miraculously, with only three seconds left on the clock, the Juniors tied the game, forcing it into overtime. The Juniors won the game with a final score of 35 to 28. Hope Jones was awarded the game ball for being the Most Valuable Player.

BOYS CROSS COUNTRY

By: Allie Rother

"The best race pace is suicide pace, and today feels like a great day to die." Steve "Pre" Prefontaine said that before one of his races, and our Granite City Boys Cross Country Team say that to themselves before every one of their races.

The Top 7 Boys: Aaron Werths, Andrew Lancaster, Matthew Von Nida, Jacob Kaiser, Brian Newman, Christian Alvarez, and Tyler Rogers advanced to IHSA Sectionals for the 6th year in a row. Having their work cut out for them after losing three of their Top 7 Boys from last year, the team pulled through and ended with a bang!

Aaron Werths qualified for State for the third year in a row. Werths' personal best record is 14:57 for a three mile race. Coach Skirball said, "Aaron has been the first Warrior runner in recent history to qualify for the State Cross Country Meet three years running. He has been the most focused, the most determined cross country athlete that we have had." Werths is the most successful runner that Granite City has seen in years, and definitely someone we can be proud of!

GIRLS CROSS COUNTRY

By: Allie Rother

Jesse Owens once said, "We all have dreams come into reality. It takes an awful lot of determination, dedication, self-discipline and effort." These girls are making their dreams come true.

The first Girls Cross Country team started in 1980. They made an impact for the first four years and then fell off the map, but the 2008 girls are back on the map and making their mark.

Chrysta Alvarez is the first girl to advance to the IHSA Sectionals since 2005. The girls' team was hoping to make it to Sectionals, but fell one place short. Kayleigh McLaren is the only Senior girl on the team. Kayleigh is a very talented runner and she has worked extremely hard this season. The entire team has worked hard all season and next year they will be looking to surprise some of the other teams.

"There have been a lot of young energetic girls on the team this year and they have all worked hard."

As you walk down the halls of Granite City High School, you may notice the variety of artwork adorning the walls. Admiring the artwork, you may then ask yourself just who is responsible for the drawings, paintings, and sculptures. These are the works of the students in the Granite City High School's Art Program. GCiHS offers art classes from Art One up to Art Eight. All students that choose to enter the program must start in Art One and begin learning the basic techniques such as the shading of still life. If the students wish to continue choosing Art as an

of GCHS

elective, they may remain learning and practicing more advanced techniques. These techniques range from oil paintings, watercolors, collages, colored pencils, and mosaics. GCHS art teachers, Mrs. Patricia Kopsky and Mrs. Kathryn Grippi, guide their students into pursuing potential careers in the art fields such as becoming artists, graphic art and design, art education, and designing. Many students credit their abilities and talents to the art program and Granite City High School will continue to serve them in the years to come.

"A Christmas Carol" By Alice Rother

It is a wonderful journey a man has taken through the years. It is a journey of the heart, a journey of the soul, a journey of the spirit. It is a journey of the heart, a journey of the soul, a journey of the spirit.

It is a journey of the heart, a journey of the soul, a journey of the spirit. It is a journey of the heart, a journey of the soul, a journey of the spirit. It is a journey of the heart, a journey of the soul, a journey of the spirit.

It is a journey of the heart, a journey of the soul, a journey of the spirit. It is a journey of the heart, a journey of the soul, a journey of the spirit. It is a journey of the heart, a journey of the soul, a journey of the spirit.

It is a journey of the heart, a journey of the soul, a journey of the spirit. It is a journey of the heart, a journey of the soul, a journey of the spirit. It is a journey of the heart, a journey of the soul, a journey of the spirit.
